Purpose of the plan

This plan examines potential risks and issues that could cause disruption to the examination/assessment process at Tuition Extra. By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on our processes.

Alongside internal processes, this plan is informed by the Ofqual Exam system contingency plan: England, Wales and Northern Ireland which provides guidance in the publication What schools and colleges and other centres should do if exams or other assessments are seriously disrupted and the JCQ Joint Contingency Plan for the Examination System in England, Wales and Northern Ireland and the JCQ document **Preparing for disruption to examinations** (Effective from 1 September 2024)

This plan also confirms Tuition Extra's compliance with JCQ's General Regulations for Approved Centres (section 5.3) that the Centre has in place for inspection that must be reviewed and updated annually:

- a written contingency plan which covers all aspects of examination/assessment administration and delivery, including succession arrangements.

Contingency arrangements

In accordance with the regulations (GR 3.17-19), Tuition Extra **must** have an up to date written contingency plan.

The contingency plan **must** cover all aspects of examination/assessment administration and delivery. Senior leaders **must** have robust contingency arrangements in place that will minimise the risk to examination/assessment administration and delivery and any adverse impact on candidates.

The plan must cover the following scenarios:

- the head of centre, relevant senior leader(s) with oversight of examination and assessment administration, SENDCo (or equivalent role), examinations officer or any other key staff essential to the examination process being absent at a critical stage of the examination cycle
- the potential impact of other events such as flooding which could lead to all or parts of the centre becoming unavailable
- potential issues with the centre's IT systems

As part of the contingency plan the centre **must** identify an alternative site if examinations cannot be conducted at the registered address.

Tuition Extra formally reviews alternative venue arrangements each September. The Head of Centre will ensure that:

- alternative venues remain available during examination periods;
- venues meet JCQ requirements for accommodation and security;
- access arrangements candidates can be accommodated;
- examination materials can be securely transported and stored;

8 Roper Yard, Roper Road, Canterbury, CT2 7EX

info@tuition-extra.co.uk

www.tuition-extra.co.uk

- venue contact details are reviewed annually.

Records of these checks will be retained with the examinations documentation.

Tuition Extra **must** have at least one senior member of staff (senior designated contact) who is available to manage emergency requests from awarding bodies that are results related during the summer holidays. However, a number of contacts can be provided to reduce the risk of this falling on one individual throughout the summer holidays.

Tuition Extra **must** ensure that candidates' work is backed-up and should consider the contingency of candidates' work being backed-up on two separate devices, including one off-site back-up. Appropriate security arrangements must be implemented which protect candidates' work in the event of IT system corruption and cyber-attacks.

Candidates and parents/carers will be informed annually that contingency examination sessions may be used by awarding bodies and candidates must remain available until the final contingency date of the examination season.

National Centre Number Register and other information requirements

In accordance with the regulations (GR 5.3), the head of centre will ensure that Tuition Extra responds to the National Centre Number Register annual update by the end of October every year which includes providing senior designated contact details (this might include a personal mobile number and/or email address). These must be the contact details of someone who can be reached in an emergency if the centre is closed over the summer and who can mobilise resources to respond to the issue.

Head of Centre absence at a critical stage of the exam cycle

Where the Head of Centre is absent at a critical stage, the Deputy Head of Centre would assume their roles and responsibilities.

Industrial Action and Staffing Disruption

Where industrial action affects teaching staff, support staff, invigilators or transport services:

- examinations and assessments will be prioritised;
- alternative staffing arrangements will be implemented;
- additional invigilators will be deployed where available;
- awarding bodies will be consulted where disruption may affect candidates;
- parents, carers and candidates will be informed of revised arrangements.

The centre will follow current DfE, JCQ and awarding body guidance applicable at the time of the disruption.

- External invigilators on standby should the centre fall short on internally appointed invigilators.

Entries

- SLT have access to the awarding bodies' portals to be able to check the entries made for candidates.
- Tutors are informed ahead of deadlines when they will be expected to submit entries. Entries that are required to be made but are still late would be entered and the cost disseminated to the relevant party.

Pre-exams

- All invigilators will be trained in advance of exam periods; this may be by an external agency/trainer.
- The Head of Centre is the only other member of staff to have access keys to the secure storage and would be able to ensure that the documents are logged and securely stored.
- Tutors are informed ahead of deadlines when they will be expected and to submit controlled assessments.

- Tuition Extra has a SEND policy updated annually to ensure equality is maintained.
- The SEND department have a folder containing all required documents for Access Arrangements, tutors are required to inform the SENDCo of individuals' requirements for testing and procedures in class for Normal Way of Working.

Pre-Exams

- The Examinations Officer and SEND department implement the applications together to ensure all are required by the deadline.
- Shared documents are created so that all arrangements are accessible by all staff to ensure they are implemented.
- Any modified paper requirements that are late would be directed to the board and their support requested in ensuring the students' receive their adjusted papers.
- Access arrangements are assessed at the beginning of the academic year so that we can ensure sufficient numbers of staff are trained, to allow for any staff absences too.

Exam time

- The SEND department are given access to the exam information and of who is taking which exams. They are also informed which access arrangement rooms are being used for which students. Support is arranged in advance and staff have access to the Access Arrangement schedule.

3. Teaching staff extended absence at a critical stage of the exam cycle

Criteria for implementation of the plan

Key tasks not undertaken including:

Early/estimated entry information not provided to the exams officer on time; resulting in pre-release information not being received

8 Roper Yard, Roper Road, Canterbury, CT2 7EX

info@tuition-extra.co.uk www.tuition-extra.co.uk

Final entry information not provided to the exams officer on time; resulting in candidates not being entered for exams/assessments or being entered late/late or other penalty fees being charged by awarding bodies

Non-examination assessment (including controlled assessments and coursework) tasks not set/issued/taken by candidates as scheduled

Candidates not being informed of centre assessed marks before marks are submitted to the awarding body and therefore not being able to consider appealing internal assessment decisions and requesting a review of the centre's marking

Internal assessment marks and candidates' work not provided to meet awarding body submission deadlines

Centre actions to mitigate the impact of the disruption

- There are multiple checks throughout the year before the deadlines to ensure the entries are as up to date as possible, after this, subject tutors would be required to make the decisions on entries, which would be checked by the relevant senior leader.
- Any omissions to be referred to the Head of Centre.
- If NEA are required under the specification, the Examinations Officer would have been liaising with teaching staff regularly to ensure all elements of the specification are covered.
- SLT is responsible for ensuring the priority for teaching is the examination cohort and staff will be covered in good time, by trained professionals, in all circumstance.
- All dates are provided to tutors in advance of the deadline; all marks are required in advance to ensure they entered either by teachers or the exams officer before the Awarding Body deadlines.

4. Invigilators - lack of appropriately trained invigilators or invigilator absence

Criteria for implementation of the plan

Failure to recruit and train sufficient invigilators to conduct exams

Invigilator shortage on peak exam days

Invigilator absence on the day of an exam

Centre actions to mitigate the impact of the disruption

Planning

- In the absence of internally employed invigilators, we train all staff to be invigilators. This means cover can be arranged at short notice, should there be lack of invigilators or last-minute absence.

Exam Time

- School staff are aware of regulations and maybe be asked to step in when required.

5. Exam rooms - lack of appropriate rooms or main venues unavailable at short notice

Criteria for implementation of the plan

8 Roper Yard, Roper Road, Canterbury, CT2 7EX

info@tuition-extra.co.uk www.tuition-extra.co.uk

Exams officer unable to identify sufficient/appropriate rooms during exams timetable planning
Insufficient rooms available on peak exam days
Main exam venues unavailable due to an unexpected incident at exam time

Centre actions to mitigate the impact of the disruption

Planning

- The Examinations Officer works closely with the Senior Leadership Team to ensure appropriate rooms are available, if last minute changes are required these would be arranged with the SLT to ensure adequate replacement rooms are used.
- Rooms are booked in advance of the exams to ensure classrooms are cleared and ready for exams. Rooms should be arranged after the Awarding Body amendment deadlines.

Exam Time

- We have other spaces available for exam use if the need arises. We would in the event of an emergency be able to use a space at St Stephen's Infant School, Canterbury or Haven Nook School, Canterbury.
- In the event that these venues are unavailable we would hire an emergency alternative venue.

6. Cyber-attack

Criteria for implementation of the plan

Where a cyber-attack may compromise any aspect of delivery

- Insurers immediately informed of a debilitating cyber-attack who will advise and instruct on required actions.
- Media can be remote downloaded using tethered hotspots onto third party devices for use in exams.
- Where students are unable to access their devices for word processing, alternative devices would be sought. If this is impossible, students would handwrite their answers, and special considerations would be automatically applied for from the exam boards.
- (This will include the required arrangements for cyber security) (GR 3.21) Ensure there are procedures in place to maintain the security of user accounts by:
 - a) providing training for authorised staff on the importance of creating strong unique passwords and keeping all account details secret
 - b) providing training for staff on awareness of all types of social engineering/ phishing attempts
 - c) enabling additional security settings wherever possible

- All awarding body details are available as well as printed mark sheet copies.
- Entries can be entered through portals and any issues directed to the Awarding Body for advice if required.

8 Roper Yard, Roper Road, Canterbury, CT2 7EX

info@tuition-extra.co.uk www.tuition-extra.co.uk

- During exams mark sheets are printed and could be used to make manual seating plans / emailed to exam boards to make entries if required.
- Using the awarding body details, we would contact them to request emailed results or use portals to retrieve result data.
- (GR 3.19) Ensure that candidates' work is backed-up and should consider the contingency of candidates' work being backed-up on two separate devices, including one off-site back-up.
- Implement appropriate security arrangements which protect candidates' work in the event of IT system corruption and cyber-attacks.

Where examination data is unavailable due to system failure:

- paper-based examination records will be used;
- awarding body portals will be accessed from alternative devices if necessary;
- manual seating plans and attendance registers will be produced;
- examination entries and amendments will be processed directly with awarding bodies where required.
- All candidate examination information is backed up separately from the main network infrastructure.

8. Emergency evacuation of the exam room (or centre lockdown)

Criteria for implementation of the plan

Whole centre evacuation (or lockdown) during exam time due to serious incident resulting in exam candidates being unable to start, proceed with or complete their exams

Centre actions to mitigate the impact of the disruption

In the event of a centre lockdown, Tuition Extra will follow its Lockdown Procedure and any instructions issued by emergency services. Candidates will remain under continuous supervision and the integrity of the examination will be maintained in accordance with JCQ requirements.

In an emergency such as a fire alarm or a bomb alert, the invigilator must take the following action:

- stop the candidates from writing;
- collect the attendance register (in order to ensure all candidates are present) and evacuate the examination room in line with the instructions given by the appropriate authority;
- advise candidates to leave all question papers and scripts in the examination room. Candidates must be advised to close their answer booklet;
- ensure the candidates leave the room in silence;
- ensure candidates are supervised as closely as possible while they are out of the examination room so that there is no discussion about the examination;
- make a note of the time of the interruption and how long it lasted;
- allow the candidates the remainder of the working time set for the examination once it resumes;
- if there are only a few candidates, consider the possibility of taking the candidates (with question papers and scripts) to another place to finish the examination;
- make a full report of the incident and of the action taken and send to the relevant awarding body.

8 Roper Yard, Roper Road, Canterbury, CT2 7EX

info@tuition-extra.co.uk www.tuition-extra.co.uk

9. Disruption of teaching time in the weeks before an exam – centre closed for an extended period

Criteria for implementation of the plan

Centre closed or candidates are unable to attend for an extended period during normal teaching or study supported time, interrupting the provision of normal teaching and learning

Centre actions to mitigate the impact of the disruption

- Head of Centre responsible for finding alternative venues/methods of learning.

- Inform parents/carers and candidates of the situation causing candidates to be unable to attend to take their examinations.
- Arrange an alternative venue / advise on next opportunity to sit examination(s)
- Wherever possible, it is always in the best interest for candidates to sit the examination. However, special consideration is an option where a candidate is unable to sit the examination (see Chapter 4 of the JCQ document *A guide to the special consideration process*)
- Consider moving the starting time of the examination for all candidates (see section 6.2 of the JCQ document *Instructions for conducting examinations*)
- Be aware of the rules for very late arrivals (see section 21 of the JCQ document *Instructions for conducting examinations*)

11. Centre may not be able to open as normal during the examination period

(Including in the event of the centre being unavailable for examinations owing to an unforeseen emergency)

Criteria for implementation of the plan

Centre may not be able to open as normal for scheduled examinations

Centre actions to mitigate the impact of the disruption

- Open for candidates only if possible.
- The decision on whether it is safe for a centre to open lies with the head of centre who is responsible for taking advice or following instructions from relevant local or national agencies.

- Special consideration is an option if all other avenues have been exhausted and candidates meet the published criteria
- The relevant awarding body should be contacted if additional support or guidance in the event of disruption to examinations is required
- Use alternative venue – St Stephen's Infant School or Haven Nook School in agreement with awarding body
- Offer candidates the opportunity to take the exams in the next exam series.
- Prior to each summer examination series, candidates and parents/carers will be informed that awarding bodies may use contingency examination sessions and therefore candidates should remain available until the final designated contingency date published for that examination series.

Criteria for implementation of the plan

Disruption to the distribution of examination papers to the centre in advance of examinations

Centre actions to mitigate the impact of the disruption

- Awarding organisations would provide guidance on the conduct of examinations in such circumstances.
- As a last resort, and in close collaboration with centres and regulators, awarding organisations to consider scheduling of the examination on an alternative date

13. Delay in collection arrangements for completed examination scripts

Criteria for implementation of the plan

Delay in normal collection arrangements for completed examination scripts/assessment evidence

Centre actions to mitigate the impact of the disruption

- where examinations are part of the national 'yellow label' service or where awarding bodies arrange collections, centres should contact the relevant awarding bodies for advice and instructions.
- for any examinations where we make our own arrangements for transportation, we will investigate alternative options that comply with the requirements detailed in the JCQ document Instructions for Conducting Examinations.
- We will ensure secure storage of completed examination papers until as close to the collection time as possible.

14. Assessment evidence is not available to be marked

Criteria for implementation of the plan

Large scale damage to or destruction of completed examination scripts/assessment evidence before it can be marked

8 Roper Yard, Roper Road, Canterbury, CT2 7EX

info@tuition-extra.co.uk www.tuition-extra.co.uk

Completed examination scripts/assessment evidence does not reach awarding organisations

Centre actions to mitigate the impact of the disruption

- Awarding organisations to generate candidate marks for affected assessments based on other appropriate evidence of candidate achievement as defined by the awarding organisations
- Where marks cannot be generated by awarding organisations candidates may need to retake affected assessment in a subsequent assessment series.
- The Head of Centre is responsible for immediately informing the awarding organisation(s) and subsequently the candidates and their parents/carers.
- Candidates offered the opportunity to retake in subsequent series.

15. Centre unable to distribute results as normal or facilitate post results services

(Including in the event of the centre being unavailable on results day owing to an unforeseen emergency)

Criteria for implementation of the plan

Centre is unable to access or manage the distribution of results to candidates, or to facilitate post-results services

Centre actions to mitigate the impact of the disruption

- Head of Centre to assess alternative arrangements for issuing results with the regulators
- Head of Centre to inform transition schools, students and parents about delay as soon as possible.
- Use of our alternative centres, St Stephen's Infant School or Haven Nook School as a location to distribute results.

Further guidance to inform procedures and implement contingency planning

DfE

Meeting digital and technology standards in schools and colleges

Cyber security standards for schools and colleges

Ofqual

What schools and colleges and other centres should do if exams or other assessments are seriously disrupted

This document was updated in October 2023 to include Ofqual's final decisions on long-term resilience arrangements, and the Department for Education (DfE)'s guidance for education settings with confirmed reinforced autoclaved aerated concrete (RAAC),

In addition to this guidance, you will need to be aware of your specific responsibilities for local and national school preparations and contingencies. You should also follow advice from relevant public health bodies.

Contingency planning

Awarding organisations are required to establish, maintain and comply with an up-to-date detailed written contingency plan, to mitigate any incident they have identified may occur. This includes having communication plans for external parties (Ofqual General Condition of Recognition A6). Schools and colleges should also be prepared for possible disruption to exams and assessments and make sure staff are aware of these plans.

Disruption to assessments or exams

In the absence of any instruction from the relevant awarding organisation, you should make sure that any exam or timetabled assessment takes place if it is possible to hold it. This may mean relocating to alternative premises. You should discuss alternative arrangements with your awarding organisation if:

- the exam or assessment cannot take place
- a student misses an exam or loses their assessment due to an emergency, or other event, outside of the student's control

You may also wish to see the JCQ's notice to centres on exam contingency plans and JCQ's notice on preparing for disruption to examinations in England, Wales and Northern Ireland for qualifications within its scope.

Steps you should take

Exam planning

Review your contingency plans well in advance of each exam or assessment series. Consider how, if the contingency plan is invoked, you will comply with the awarding organisation's requirements.

Schools, colleges and other exam centres must speak to the relevant awarding organisations as soon as possible if they are expecting any disruption that might affect the sitting of exams and assessments.

In the event of disruption

1. Contact the relevant awarding organisation and follow its instructions.

8 Roper Yard, Roper Road, Canterbury, CT2 7EX

info@tuition-extra.co.uk www.tuition-extra.co.uk

2. Take advice, or follow instructions, from relevant local or national agencies in deciding whether your centre is able to open.
3. Identify whether the exam or timetabled assessment can be sat at an alternative venue, in agreement with the relevant awarding organisation, ensuring the secure transportation of questions papers or assessment materials to the alternative venue.
4. Where accommodation is limited, prioritise students whose progression will be severely delayed if they do not take their exam or timetabled assessment when planned.
5. In the event of an evacuation during an examination please refer to JCQ's Centre emergency evacuation procedure.
6. Communicate with students, parents and carers any changes to the exam or assessment timetable or to the venue.
7. Communicate with any external assessors, invigilators or relevant third parties regarding any changes to the exam or assessment timetable.

After the exam

1. Consider whether any students' ability to take the assessment or demonstrate their level of attainment has been materially affected and, if so, apply to the relevant awarding organisation for special consideration.
2. Advise students, where appropriate, of the opportunities to take their exam or assessment at a later date.
3. Ensure that scripts are stored under secure conditions.
4. Return scripts to awarding organisations in line with their instructions. Never make alternative arrangements for the transportation of completed exam scripts, unless told to do so by the awarding organisation.

Steps the awarding organisation should take

Exam planning

1. Establish and maintain, and at all times comply with, an up-to-date, written contingency plan.
2. Ensure that the arrangements in place with centres and other third parties enable them to deliver and award qualifications in accordance with their conditions of recognition.

In the event of disruption

1. Take all reasonable steps to mitigate any adverse effect, in relation to their qualifications, arising from any disruption.
2. Provide effective guidance to any of their centres delivering qualifications.
3. Ensure that where an assessment must be completed under specified conditions, students are able to complete the assessment under those conditions (other than where any reasonable adjustments or special considerations require alternative conditions).
4. Promptly notify the relevant regulators about any event which could have an adverse effect on students, standards or public confidence.
5. Coordinate its communications with the relevant regulators where the disruption has an impact on multiple centres or a wide range of learners.

After the exam

Consider any requests for special consideration for affected students; for example, those who may have lost their internally assessed work or whose performance in assessments or exams could have been affected by the disruption.

If any students miss an exam or are disadvantaged by the disruption

If some of the students have been adversely affected by the disruption, you should ask the awarding organisation about applying for special consideration.

Decisions about special consideration, when it is or is not appropriate, is for each awarding organisation to make. Their decisions might be different for different qualifications and for different subjects, depending on their specific policies.

See also JCQ's guidance on special consideration

Wider communications

The regulators, Ofqual in England, Qualifications Wales in Wales and CCEA Regulation in Northern Ireland, will share timely and accurate information, as required, with awarding organisations, government departments and other stakeholders.

The DfE in England, the Department of Education in Northern Ireland, and the Welsh Government will inform the relevant government ministers as soon as it becomes apparent that there will be significant local or national disruption and ensure that they are kept updated until the matter is resolved.

Awarding organisations will alert the Universities and Colleges Admissions Service (UCAS) and the Central Applications Office (CAO) about any impact of the disruption on their deadlines and liaise regarding student progression to further and higher education.

Awarding organisations will alert relevant professional bodies or employer groups if the impact of disruption particularly affects them.

Widespread national disruption to the taking of examinations or assessments

As education is devolved, in the event of any widespread sustained national disruption to examinations or assessments, national government departments will communicate with regulators, awarding organisations and centres prior to a public announcement. Regulators will provide advice to government departments on implications for examinations and assessments, including exam timetables.

In September 2023, Ofqual and the DfE published joint consultation decisions on long-term resilience arrangements. As in 2023, Ofqual has provided guidance on collecting evidence of student performance to ensure resilience in the qualifications system for students entering GCSEs, AS and A levels, the Advanced Extension Award and Project qualifications. For VTQs and other qualifications used alongside or instead of GCSEs, AS and A levels, awarding organisations will provide guidance where needed and will contact schools and colleges with more information.

In December 2022, Qualifications Wales published guidance for contingency assessment arrangements for GCSEs, AS and A levels and Skills Challenge Certificates in the event that a national decision is made to cancel exams. This guidance is still relevant for the current academic year.

The DfE has updated its guidance on handling strike action in schools in England in light of the industrial action in 2023. The guidance recommends schools should prioritise the running of examinations and assessments on any strike days, and should review their contingency plans to make this happen. Schools, colleges and other exam centres must speak to the relevant awarding organisations if they are expecting any disruption that might affect the sitting of exams and assessments.

The DfE has also issued guidance for education settings with confirmed reinforced autoclaved aerated concrete (RAAC) in their buildings. It includes the need for contingencies

for possible disruption to examinations and links to the existing emergency planning guidance.

We will update this page as necessary, with any further relevant links, should national disruption occur.

15. CONTINGENCY PLANNING

15.1 The qualification regulators, awarding bodies and government departments responsible for education have prepared and agreed information for schools and colleges in the event of examinations being seriously disrupted. This jointly agreed information will ensure consistency of response in the event of major disruption to the examinations system affecting significant numbers of candidates. Further information may be found at: <https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland>

15.2 In addition, awarding bodies have their own well-established contingency plans in place to respond to disruptions. It is important that exams officers who are facing disruption liaise directly with the relevant awarding body/bodies.

15.3 All centres must have a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or where the head of centre, examinations officer or SENDCo is absent at a critical stage of the examination cycle. The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations owing to an unforeseen emergency.

All relevant centre staff must be familiar with the examination contingency plan.

Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.

15.4 In the event that the head of centre decides the centre cannot be opened for scheduled examinations, the centre's contingency plan must be invoked, utilising the centre's alternative site(s) and the relevant awarding bodies must be informed as soon as possible. Awarding bodies will be able to offer advice regarding the alternative arrangements for conducting examinations that may be available and the options for candidates who have not been able to take scheduled examinations.

15.5 The awarding bodies will designate 'contingency sessions' for examinations, summer 2025. This is consistent with the qualification regulators' document *Exam system contingency plan: England, Wales and Northern Ireland*.

15.6 The designation of 'contingency sessions' within the common examination timetable is in the event of national or significant local disruption to examinations. It is part of the awarding bodies' standard contingency planning for examinations.

15.7 In the event of national disruption to a day of examinations in summer 2025, the awarding bodies will liaise with the qualification regulators and government departments to agree the most appropriate option for managing the impact. As a last resort the affected examinations will be rescheduled. Although every effort would be taken to keep the impact to a minimum, it is possible that there could be more than one timetable date affected following the disruption, up to and including the last contingency day. Centres will be alerted if it is agreed to reschedule the examinations and the affected candidates will be expected to make themselves available in such circumstances. The decision regarding the rescheduling of examinations will always rest with the awarding body. The centre must conduct the examination on the scheduled date unless instructed to do otherwise by the awarding body.

15.8 Where candidates choose not to be available for the rescheduled examination(s) for reasons other than those traditionally covered by special consideration, they will not be eligible for enhanced grading arrangements. Centres **must** therefore ensure candidates and parents are aware of the contingency arrangements so that they may take them into account when making their plans for the summer.
